

ST GEORGE ORTHODOX CHURCH

St George Orthodox Church is currently undergoing a much needed retrofit to their Church building in order to make it user friendly for all our members. Plans have been drawn up for an elevator to be put in as well as new classrooms and office space for our priest. As with all major projects there is a cost which is roughly \$650,000.00.

The parishioners have been extremely generous and we have raised a significant amount however we are still a long way off from reaching our goal. We are now appealing to anyone with a willing heart to look for any 10K OR 14K gold jewelry that they no longer wear and consider donating it towards the building fund. Broken, chains, earrings, bracelets etc... will be gratefully accepted.

A bright yellow box has been set up in the basement of the church along with envelopes. Please write your name and address on the envelope and drop your donation into the box.

The church family at Saint George is grateful to everyone who has found it in their heart to bless us with whatever gifts they are able to provide.

They came, both men and women, as many as had a willing heart, and brought earrings and nose rings, rings and necklaces, all jewelry of gold; that is, every man who offered an offering of gold to the Lord. Exodus 35:22
